

AVO Training Institute is a proud sponsor of the NETA POWERTEST 2013.

Be sure to stop by our booth 203 and say hello. We are proud to have three speakers at the Conference this year. AVO Training Institute's Director Emeritus, Dennis Neitzel, CPE will be presenting "Electrical Safety Through Design, Installation, and Maintenance" Monday, Feb. 18, 10:45 am to 11:15 am.

Two of our most experienced Senior Training Specialists are also presenting during the conference. Ron Van Wart - "Battery Maintenance and Testing" is speaking on Wednesday, Feb. 20, 8 am to 11:45 am and Dennis Moon "Maintaining Your Protective Relay Sanity" is speaking on Thursday, Feb. 21, 1:15 pm to 5:00 pm. Save the date to attend these informative presentations.
