Greetings!

As the President of NETA, I want to thank you for registering to attend the PowerTest Electrical Maintenance and Safety Conference in Anaheim, California!

This year we are excited to offer such a high quality educational experience to all attendees. Whether you are a NETA Accredited Company, a NETA Alliance Subscriber, or otherwise involved in the electrical power industry, I am sure you will find great personal value in this conference. PowerTest is the only conference devoted to acceptance testing, electrical commissioning, and maintenance testing of electrical power systems, while also focusing on the manner at which electrical power systems are applied and intended to function. With topics spanning across all points of the power system, this is a forum where you learn from the top minds in the industry about the issues that directly affect you: safety and reliability of electrical power systems and equipment.

Electrical testing is a fast-paced, growing industry where new challenges and evolving technologies keep us on our toes. As professionals, we must expand our knowledge, strengthen our skills, and keep up-to-date with our training.

We have discovered that combining technical paper presentations, panel discussions, and face-to-face training into one setting is a great way to stay current with this ever-changing industry. At the PowerTest Electrical Maintenance and Safety Conference you are participating in North America's most comprehensive gathering of electrical testing professionals while making and renewing friendships within your field. You will interact with technical presentation speakers, educational presenters of advanced learning seminars, and participants from more than 90 Trade Show booths.

Thank you, again, for your registration. I am looking forward to seeing you in Anaheim, California! I would be most honored if you would stop by and say hello!

Sincerely,

Ron Widup
NETA President
Registration

Please bring your PowerTest registration confirmation for checking in at the registration desk for quick and easy receipt of your conference materials! The PowerTest Registration desk is where attendees pick up their conference materials, make changes to their conference itinerary, purchase books, and ask questions.

The registration desk is located on the lobby level of the Disneyland Hotel, Center Lounge.

The registration desk will be open:

- Sunday: 9:00 AM – 5:00 PM
- Monday: 7:00 AM – 5:30 PM
- Tuesday: 7:00 AM – 1:00 PM
- Wednesday: 7:00 AM – 5:00 PM
- Thursday: 7:00 AM – 5:00 PM
- Friday: 7:00 AM – 10:00 AM

Conference Papers

All registered attendees receive a USB drive loaded with all of the materials from Monday’s Technical Presentations.

Panel Discussions

If you did not select two panel discussion topics on Tuesday morning, a selection has been made for you and may be changed onsite, space permitting. Please review your confirmation sheet. If you would like to change panel sessions please contact the NETA office or notify NETA staff onsite at the registration desk. Be thinking of questions to provide to the NETA staff - if our panelists see your topic in advance, they can provide details and documentation to answer your questions. Please use the enclosed form and send us your questions in advance, or bring them with you and turn into the registration desk no later than 4:00 PM on Monday, February 27, 2017.

Pre-conference Outing – PowerTest 2017 Dinner & Dice Harbor Cruise

Join us Sunday evening for a dinner boat cruise along the western shores of southern California. Sit back and relax or trust your luck with a visit to the special themed casino night. What’s your pleasure? Music, comradery, roulette, black jack, poker and more. Sunday, February 26, from 5:30 PM – 9:30 PM

Hospitality Suites

Mingle with a host of leaders at Monday night’s Hospitality Suites. Talk with the experts, find solutions for your business, and catch up on the latest products and services as each sponsoring company shares their own brand of hospitality. Monday, February 27, from 6:00 PM – 10:00 PM

PowerBash

PowerBash 2017 wraps up two days of intense conference sessions and marks the beginning two days of high-impact seminars. Everyone who’s anyone is sure to be there. PowerBash will be held Tuesday February 28, 2017, from 7:00 PM – 10:00 PM. Cost is $25 per person.
GENERAL CONFERENCE INFORMATION

Spouses and Guests

Social/Guest Pass
Accompanied by a spouse or guest? Guests of PowerTest attendees are encouraged to join in the activities and excitement of PowerTest 2017. The PowerTest Social Pass provides open access to the PowerBash, Hospitality Suites, and Trade Show. Please note, all spouses and guests must be registered before attending any PowerTest event. Information about all events is provided in the conference brochure and online at www.powertest.org. Cost is $60 per person.

Meals
Registered conference attendees are welcome to enjoy a complimentary breakfast every morning, Monday through Thursday, and lunch is provided on Tuesday at the Trade Show.

NETA Conference and Seminars Lunch Schedule:
- Monday: 12:15 PM – 2:15 PM Lunch on your own
- Tuesday: Complimentary Luncheon in the Trade Show Exhibit Hall
- Wednesday: 11:45 AM – 1:15 PM Lunch on your own
- Thursday: 11:45 AM – 1:15 PM Lunch on your own
- Friday: 12:00 PM – 2:00 PM Lunch provided for Doble Laboratory Seminar attendees

Cancellations and Refunds
Registration fees are fully refundable before January 31, 2017. After January 31, 2017, all fees are nonrefundable and substitutions are encouraged. Call the NETA office to notify us of any substitutions. All refund requests must be submitted to NETA in writing. A service fee of $50 will be deducted from all refunds processed.

NETA Publications Bookstore
NETA will provide a bookstore shopping experience during PowerTest 2017. The bookstore will be set up in the PowerTest registration area and provide an expansive selection of NETA publications, which will be offered at 10% off our lowest price.
Pre-Conference Tour

Doble Laboratory Seminar
8:00 AM – 5:00 PM
LEARN WHAT YOUR OIL RESULTS REALLY MEAN.

DOBLE LABORATORY DIAGNOSTICS SEMINAR AT POWERTEST 2017 | MARCH 3, 2017

Join us for a one day laboratory seminar on Friday, March 3rd at PowerTest 2017. Doble’s laboratory experts will present an interactive session that combines theoretical background with practical experience and hands-on examples. We will share case studies illustrating common problems found in the field.

PARTICIPANTS WILL
- Learn how to take oil samples, avoid common pitfalls and save time and money by sampling only once
- Diagnose apparatus problems with dissolved gas-in-oil analysis
- Find out how to assess the condition of paper insulation
- Detect the presence of incipient-fault conditions and categorize them
- Establish the correct method of analyzing moisture-in-oil results
- Study the significance of dissolved and particulate metals and other particle contamination found in electrical apparatus
- Understand how to determine the condition of electric apparatus using laboratory tests

REGISTER TODAY
