**December 1, 2015 (Addison, Texas)** - Group CBS has taken two of their strongest companies and combined the strengths of each company to provide advanced solutions for electrical supply, field service, and engineering companies both domestically and internationally.

### Advanced Motor Controls, Inc.

- ✓ Complete Low Voltage Motor Control Centers
- ✓ MCC Life Extension Program
- ✓ Individual New Replacement Buckets
- ✓ Motor Starters & Contactors
- ✓ UL580A Industrial Control Panels
- ✓ UL98 Panelboard Switches; AMC-QMQB™ Brand Switches
- ✓ Renewal Parts, Contact Kits, & Replacement Stab Assemblies

### Astro Controls, Inc.

- ✓ Low Voltage Insulated Case Circuit Breakers
- ✓ Low Voltage Molded Case Circuit Breakers
- ✓ Bolted Pressure Switches
- ✓ Switchboards and Panelboards
- ✓ Bus Plugs and Bus Ducts

Advanced Electrical & Motor Control's administrative offices and warehouse are located at 1801 Hurd Drive, Irving, Texas. The merger is effective immediately. Leading the new company is Randall "Randy" Roumillat. Randy has three decades of leading operational and IT departments for several major corporations, most recently CIO at Yahoo.

We have developed a strong experienced team, which include Randy Roumillat (Head of Operations), David Muir (Sales & Marketing Manager), Chris Comire (Product Development), both with 30 plus years industry experience, and Mike Sweet (Production Manager). With this highly talented team Advanced Electrical & Motor Controls will be positioned to offer a variety options and provide timely, quality solutions for your electrical supply and maintenance needs.

### About Group CBS, Inc.

Headquartered in Addison, Texas, Group CBS has affiliated companies through the U.S. and in the U.K. that provide premier products and unparalleled capabilities and services to the industrial, utility, electrical distribution and repair markets.
