NETA's Electrical Power Conference Releases Details on Special Sessions and Networking Events

PowerTest 2017, the largest gathering of electrical power systems professionals in the industry, hosts 42 unique training sessions, special sessions on best practices and product training, and numerous professional networking events.

Portage, Mich., October 26, 2016 — NETA, the InterNational Electrical Testing Association, is releasing more details about its line up of special sessions and networking opportunities during the annual PowerTest conference, scheduled for February 27 – March 3, 2017, in Anaheim, California. This premier training event, which caters to electrical power systems industry professionals, is the only conference and trade show focused on electrical maintenance and safety.

Megger Best Practices

Sunday, 9:00 AM - 4:00 PM

Megger's Best Practices Seminars are designed to present new testing techniques and technology as well as offer the opportunity to engage in hands-on learning with expert engineers. Megger's world-class Applications Engineers utilize their vast industry knowledge and experience to craft an in-depth program backed by Megger's expertise in the market. This full day of quality education includes training related to key industry topics as well as two hours of hands-on instruction.

Register for Megger Best Practices and view the agenda [here](#).

Member and Alliance Meeting

Sunday, 2:15 PM - 5:00 PM

NETA Members invite industry leaders, Alliance Partners, and Corporate Alliance Partners to join the annual Member Meeting on the Sunday before PowerTest 2017. Participants engage in roundtable discussions and share industry information and ideas. Call the NETA Office at 888-300-6382 to register.

PowerTest 2017 Dinner & Dice Harbor Cruise

Sunday, 5:30 PM - 9:30 PM

Music, camaraderie, roulette, Blackjack, poker, and more are the highlights of a dinner boat cruise along the western shores of southern California.

Register for the cruise with conference registration. \$155 per person.

PowerDB User Group

Monday, 12:15 PM - 2:15 PM

Annual User's Group Meeting open to licensed users of PowerDB Pro Software. Agenda will include presentations by the PowerDB Pro development team as well as utility, industrial, and contractor groups discussing how this product is an integral part of their business operations. Pre-registration is required by contacting PowerDB at 979-690-7925 ext. 702 or by registering at <http://www.powerdb.com>.

New Product Forum

Monday, 5:00 PM - 6:00 PM

In 60 minutes, PowerTest Exhibitors preview the newest products and services shaping the power systems industry. All conference registrants are invited to attend.

For information on presenting a new product or service at the New Product Forum, contact Laura McDonald at 269-488-6382 or lmcdonald@netaworld.org.

Hospitality Suites

Monday, 6:00 PM - 10:00 PM

Mingle with colleagues and a host of leaders at Monday night's hospitality event. Eight companies will offer their own brand of hospitality with uniquely themed suites.

PowerTest Trade Show & Luncheon - New Hours

Tuesday, 12:00 PM - 5:30 PM

The 2017 PowerTest Trade Show showcases the most innovative products and services while providing networking with the most important contacts in the industry.

PowerBash 2017!

Tuesday, 7:00 PM - 10:00 PM

Come and celebrate NETA's 45th Anniversary and enjoy an evening of Southern California charm, awards, and recognition, while mixing and mingling to musical entertainment.

Social/Guest Pass

Guests of registered attendees can purchase a pass for Monday and Tuesday social events (PowerBash, Hospitality Suites, and the Trade Show). \$60 per person.

Early Bird Registration Open Now

Attendees are encouraged to take advantage of Early Bird registration discounts, open now through December 31. For more information, visit <http://www.netaworld.org>. PowerTest 2107 registration or a social pass is required to attend all conference events and networking activities. Additional fees may apply. Discounts are available for NETA Accredited Companies and NETA Alliance Program subscribers.

For a full schedule of this five-day conference and registration discount opportunities, download the PowerTest 2017 Conference Brochure. Register for PowerTest 2017 at <http://www.powertest.org> or call 888-300-6382 (NETA).
