March 8, 2019**

**Renting and Managing Electrical Test and Measurement Equipment
Just Got A Whole Lot Easier**

Grand Prairie, TX., March 8, 2019 -- Protec Equipment Resources announced immediate availability of Protec Connect, the mobile app that enables customers to access a nationwide fleet of electrical test equipment anywhere, anytime.

A product driven by an obligation to better support and service the electrical test industry, Protec Connect is part of Protec's commitment to assisting customers with all of their equipment rental and management needs.

Protec Connect is available for immediate download on IOS and Android platforms.

An app demo can be seen
